Every one enjoys spending time outdoors in the snow, here is a chance to do so and perhaps trek a little farther using a high quality set of snow shoes provided by the park!

Join environmental educator, Sarah Downey, as she shares her enthusiasm for spending time outdoors in winter, a few tips to stay upright on a pair of snow shoes, and how to see nature

through all the snow! This program includes an introduction to Alberta Parks and Beauvais Lake Provincial Park. It comes complete with adjustable poles and snow shoes for a group up to 25 students (size 6 shoe and up; weight 75—225 pounds).
