*Dinosaur Provincial Park
is located 48km NE of
Brooks, Alberta*
albertaparks.ca/dinosaur

Students take on roles to investigate why we find so many fossils in Dinosaur Provincial Park. Hike into the badlands and observe clues that have been left behind as we make our way to a real bone bed.

Prepare for the Badlands:

Trips to Dinosaur Provincial Park should be prepared by wearing closed toed shoes, bringing water, and appropriate layers.

Curriculum Outcomes:

4 - Alberta:

A Sense of Land

5 - Inquiry Skills

6 - Evidence and

Investigation
