

Welcome to Gooseberry Lake Provincial Park.

One of Alberta's original provincial parks Gooseberry Lake has provided 90 years of lakeside recreation. The campground has 40 camp sites, some power and water hookups. Showers, picnic shelters and a sewage dumping facility add to your comfort and convenience.

While you are visiting the park, explore the many trails on foot or by bike. Enjoy shade from trees planted by volunteers when the park was first developed in the 1930s. A stocked trout pond and a nearby 9 hole golf course will keep you busy at this relaxing family park. There are group camping areas as well, where you can book in advance for a family reunion or other large get-togethers.

Cool off in the spray park operated by Special Areas or visit on Father's day weekend and watch one of the largest rodeos in the area.
